Thank you for joining the Carlton Farmers Market for the 2017 farming year. We look forward in collaborating with you to ensure our small farming community still holds a place in this new tourist based economy that has been placed before us.

The Carlton Farmers Market will open on Saturday May 13th 2017, and it will run every saturday thereafter until around October pending the weather. Our hours of operation are between 10:00 AM until 2:00 PM.

Vendor space is limited to 10'X10'. We can also supply you with absentee space at our community table if you can't physically attend, which we encourage you to leave a flyer with your farm/business information on it for customers.

Vendor attendance costs are scaling dependant on your individual sales. We ask for a donation of 10% of your sales which caps at \$10.00 maximum if you are physically attending. For absentee vending, we ask for a 10% of sales donation that caps at \$20.00. All vendor donations will directly benefit the Yamhill Carlton Child Development Center 2017-2018 school year.

I acknowledge that I have reviewed this application, filled it out honestly to the best of my knowledge, and understand that applying does not guarantee a space for me at The Carlton Farmers Market. This is a formal request for permission to sell merchandise as a vendor at the Carlton Farmers Market.

I agree to indemnify and hold harmless this market, directors, employees, representatives, agents, and property owners, from and against all liability, claims, demands, losses, damages, levies, and causes of actions or suits of any nature whatsoever, arising out of or related to my activities at this market.
